Sprayer Tank Extensions

STEWART STEEL

Case IH Sprayer Tank Extension

A large red Case IH sprayer is shown in a field, equipped with a large silver tank extension. The extension is a vertical, rectangular tank mounted behind the main sprayer tank. Two inset images show close-ups of the extension: one shows the side of the tank with a vertical scale and the other shows the top of the tank.

STEWART STEEL

JOHN DEERE SPRAYER TANK EXTENSION

A green John Deere sprayer is shown in a field, equipped with a large silver tank extension. The extension is a vertical, rectangular tank mounted behind the main sprayer tank. Two inset images show close-ups of the extension: one shows the side of the tank with a vertical scale and the other shows the top of the tank.
